Subject: Help Educate South African Star Students

Invest in educating South Africa's youth

The Douglas Foundation needs help funding opportunities for talented kids

We need you! When fraternity brothers, sorority sisters and our friends at **Piney Woods School** in Mississippi wanted to change the world, one student at a time, we listened. We found exceptional South African students from disadvantaged backgrounds and provided funds to place them at Piney Woods School. *They are excelling!*

Great kids, no resources. Your donation will help our South African stars receive *the educational opportunity of a lifetime* by:

- Contributing to transportation costs, Piney Woods tuition and school expenses for Claudia, Sidwell and Gadaffi. These 2-year scholarships represent a \$20,000 annual expense--and we're not done. We want to place even more students at Piney Woods.
- Provide numerous scholarships for disadvantaged South African high school students to attend leadership camps such as those hosted by Operation Smile, The Anthony Robbins Foundation and The Student Success Network at an estimated cost of \$12,000 annually.
- Ensuring that these educational and leadership opportunities--and more--are available to future South African star students through continuous donations.

Be part of the solution. We need your energy and support to make a difference in the lives of South Africa's youth. These scholars are thoroughly vetted; some of them have been accepted by **Make A Difference Foundation (MAD)**, a dynamic and progressive South African organization providing long-term mentoring and pledges for university scholarships. These kids have proven themselves to be stars. Your investment funds tomorrow's leaders TODAY.

It all counts. Your participation--through a gift of any size--is what we need most. Please forward this email to family and friends. Together we can continue changing the world, one student at a time.

Thanks for making a difference!

Sincerely,
The Douglas Foundation

How you can make a difference...
